RULES AND REGULATIONS

Introductory Statement:

These Rules and Regulations of the Covered Bridge Farm Development Corporation (hereinafter referred to as "CBFDC") are supplementary to those of the Public Service Commission ("PSC") of Kentucky. All Rules and Regulations are to be in effect so long as they are not in conflict with the PSC Rules and Regulations. These Rules and Regulations may be revised, amended, supplemented or otherwise changed from time to time, subject to the approval of the PSC. The effective date of any changes shall be the date they are approved by the PSC.

1. Billing, Collection and Penalties for Late Payment or Non-Payment:

- (a) Residential Customers - West Oldham Utilities, Inc. or others (collection agency for CBFDC) will bill all residential customers on a monthly or bi-monthly basis for services rendered. The due date will be shown on the bill.
- (b) Penalty for Late Payment - Payments received after the due date are late payments. A fifteen percent late payment penalty will be charged for any account which is not paid on or before the due date. A customer's sewage disposal services may be discontinued by the Utility for non-payment therefor in accordance with ~~Section 8 of these~~ rules and Regulations.

RULES AND REGULATIONS

2. Deposits:

Customers may be required to make a cash deposit not to exceed: (1) 3/12 of the estimated annual bill if billing is bi-monthly or (2) 2/12 of the estimated annual bill if billing is on a monthly basis. No customer is to use the sewer facilities until the utility has been contacted and any required deposit is made. Interest at the rate of 6% per annum accruing from the date of deposit, will be paid on any deposits held.

3. "Sewage" as defined by Kentucky Public Service Commission Regulations, Section 2(7) of 807 KAR 25:060, means ground garbage, human excretions, and all other domestic type waste normally disposed of by a residential, commercial, or industrial establishment, through a sanitary sewer system. The disposal of "other materials" by means of the sanitary sewer system or failure to notify the Utility of such disposal may result in disconnection by the Utility of the offending customer's service pipe. Various methods common to the industry may be employed to find the offenders. Customers of the Utility are advised that disposal of the following "other materials" is strictly prohibited:

- Gasoline - Motor Oil - Grease - Fats - Explosive Material
- Paint - Cleaning Fluid - Toxic Substances - Combustible Material
- Leaves - Clippings - Wood - Plastic - Metals - Inflammable Material
- Tampons - Sanitary Napkins - Rags - Diapers

RULES AND REGULATIONS

- Sand - Glass - Bones - Dirt - Ashes - Concrete
- Rubber Products - Blankets - Toys - Chemicals
- Unshredded Food - Paper Products Other Than Toilet Paper

The following connections to the sewer and/or disposal into the sewer are prohibited and customers are advised of their liability for payment of the Utility's costs that are attributable to such connections.

- Swimming Pools
- Outside or Inside Rainwater
- Ground Water and Storm Water
- Basement Sump Pumps With Underdrains
- Down Spout Connections
- Faulty Service Pipe
- Fire Hose

The Utility will make all reasonable efforts to prevent interruptions of service and when such interruptions occur shall endeavor to re-establish service with the shortest possible delay consistent with the safety of its customers and the general public. The consumer or customer shall protect the equipment of the Utility on his premises and shall not interfere with the Utility's property or permit interference except by duly authorized representatives of the Utility.

RULES AND REGULATIONS

4. The Utility may, by giving reasonable notice, suspend service for repairs, changes or improvements. All customers to be affected by the interruption will be notified by the Utility of the time and anticipated duration of the interruption. Whenever possible, scheduled interruptions will be made at times that result in the least inconvenience to customers.

5. Customers shall give immediate notice to the Utility of any irregularities or defects in the sewage disposal system on such customer's property known to the customer.

6. Discontinuance of Service by Utility:

The Utility may refuse or discontinue service to an applicant or customer after proper notice, if applicable, for: (a) failure to comply with its rules and regulations or state and municipal rules and regulations, (b) refusal or neglect by a customer or applicant to provide reasonable access to the premises, (c) failure to provide and properly maintain the service pipe, (d) fraudulent or illegal use of service, or (e) non-payment of bills. If discontinuance of service is for the reason set forth in sub-paragraph (a) above, the customer shall be given at least ten (10) days written notice. If discontinuance of service is for the reason set forth in sub-paragraph (b) above, the customer shall be given at least fifteen (15) days written notice. If discontinuance of service is for the reason set forth in sub-paragraph (c) above, the customer shall be given at least fifteen (15) days written notice. If discontinuance of service is for the reason set forth in sub-paragraph (d) above, service may be discontinued without notice. If discontinuance is for non-payment of bills, the customer

RULES AND REGULATIONS

shall be given at least forty-eight (48) hours written notice, separate from the unpaid bill, and discontinuance of service shall be effected not fewer than twenty (20) days after the mailing date of the unpaid bill. If prior to discontinuance, a residential customer presents to the Utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may not be effected until the affected resident can make other living arrangements or ten (10) days have passed since the date of the Utility's notification, whichever first occurs. When a dangerous or illegal condition is found to exist on the customer's or applicant's premises, service may be refused or cut off without notice, provided that the Utility notify the customer or applicant immediately of the reasons therefore.

7. Discontinuance of service or cut-off is defined as excavation, breaking out pipe, plug flow and backfilling. Reconnection is defined as re-excavating, installing a new pipe section and connecting boots and backfilling. Where discontinuance becomes necessary in accordance with these rules and regulations, the customer shall be charged \$524.00 for disconnection of service and \$541.00 for reconnection of service; provided that if a driveway must be disturbed an additional charge of \$45.00 will be made.
8. For each trip which a representative of the Utility makes in an effort to collect a bill after written notice, the Utility is entitled to charge a \$20.00 charge.

RULES AND REGULATIONS

9. Any person proposing a connection to the sewer must first make application to the Utility for approval of the proposed connection and have the construction approved by the Utility before backfilling. Each occupant of a proposed building or lot must apply for and install a connection separate from all other connections.
10. The principal and primary area serviced by the Utility is located in the Western portion of Oldham County, and is bounded by U.S. #42, Locke Lane, Covered Bridge Road and Countryside Subdivision.
